The dog owner further understands that while the results of the Admission Behavioural Assessment will dictate whether or not their dog is suitable for DDC, their dog may require re-assessing in the future, particularly if there is a negative change in its behaviour. Although this assessment reduces the risk of a dispute occurring between dogs or staff, the dog owner accepts that it does not eliminate the risk

In the event of accident or illness, DDC staff will administer basic first-aid and contact the owner immediately. - 13. The dog owner understands that if their dog begins to display aggressive behaviour, DDC may terminate its membership and admission to the premise. Any monies in credit, will be refunded to the dog owner.
- 14. The dog owner understands that in the unlikely event of accidental death of the pet, due to pre-existing health conditions, natural disasters or other uncontrollable factors, the DDC will not be held accountable.

- 17. The dog owner understands that a 'no-show' or 'cancellation' without 24 hours notice may incur a fee and if it occurs more than twice, then the dog owner may expected to pay for DDC prior to the day of arrival or may be refused entry all together.
- 18. The dog owner accepts all liability and shall indemnify DDC, its employees, agents and/or representatives from any claims or actions of any kind arising from any loss, injury or harm that their dog sustains or inflicts upon another dog or person whilst at DDC. The dog owner shall reimburse DDC for all services rendered, and services sought from third parties such as medical treatment in relation to any loss, injuries or harm sustained by your dog or inflicted by your dog upon a person whilst at the facility.
